Children's School Books

Please can you make sure that children bring into school a carrier bag next week and it is kept in their drawer at school. On Wednesday, the children will be bringing home their school books and they may struggle to carry everything without a bag.

Library Books

Our usual plea please, to search high and low for any school library books or reading books that you have at home. Please check high and low—behind cupboards, washing up basket, in the fridge etc—as we're quite a few down and they are expensive to replace. All school books are stamped with the school stamp.

School Office Closed Friday

Please note that both School Offices will be closed on Friday from 12.00p.m.—2.00p.m. due to the Whole School Picnic.

Children's Commissioner Survey

On Tuesday, the school sent out an email to all parents from the Children's Commissioner asking them to work with their children in completing a short online survey.

The Children's Commissioner is keen to hear from as many children as possible across England on their experiences, views and aspirations.

If you haven't been on and completed the survey yet—please take a few minutes this weekend to complete it.

At a time of significant change for children and young people, it is more important than ever that their voices are heard. Through The Big Future, I can take the views of your students directly to government and ensure their priorities help inform the decisions that affect their lives.

A Temporary Goodbye

We will be saying a temporary goodbye to Mrs. Havell at the end of next week.

Mrs. Havell applied to the school for a Sabbatical which was approved and so, with her husband is going off travelling for a year before returning back to work at St John's Green in September 2027.

Obviously, we wish her the most amazing time and are all very jealous.

Year 5 Forest School

As Year 5 parents will be very aware—the year 5 children have been having a great time over the last few weeks with their Forest School sessions. They've built dens, cloth dyed, dug, made fires, been creative with charcoal and bonded with lots and lots of mud.

PTA Tote Bags

All parents will have already or will be shortly receiving an email with the design from your child's class.

Bags are £6.50 each, with multi buy discounts available. Please follow the link in the email to order.

Thank you for supporting our fundraising for the school!

Please note not all classes are back from the designers yet, but will follow soon.

The shop is only open until 8pm Sunday evening so please be quick!

Free School Meal (FSM) Check

You will, I'm sure, remember that we have sent out a few times—information urging all parents to check whether they may be eligible for FSM.

Parents already in receipt of FSM **MUST** be rechecked—all current eligibility will stop in August and **ALL** parents must re-apply.

Please read the information we have sent by email with today's newsletter or follow the QR code.

Rights Respecting Schools. Article 29 – Pupils' education should help them use and develop their talents and abilities. It should also help them learn to live peacefully, protect the environment and respect other people.

EYFS Beach Day

What a fantastic morning our EYFS children have had. Their EYFS Garden was turned into a water wonderland with pools and slides and splashing things. There was treasure to find and places to explore as well as all sorts of other adventures and activities to do. The children may be a little bit soggy when you collect them—but they had a lot of fun!
