Warm

It has undoubtedly been very warm over the last few days so I wanted to take this opportunity just to thank all the staff who have carried on diligently adapting and risk assessing to support the children in school and doing their best to make it as bearable as they can (and maybe popping in a few fun water based activities too). Thank you to all our parents who have expressed their thanks and gratitude to staff.

Next week is due to be a little bit cooler, with the temperatures popping up again the week after that. Ironically there is a chance of rain next week so please make sure children have a rain coat in their school bags.

Also, please make sure they have a water bottle in school, a sun hat and have a liberal coating of sun tan cream on faces arms etc.

Singing

One of the advantages of the T site is that the back of the building and a lot of the playground get full shade in the morning.

Taking full advantage of this situation this morning, Mrs. Rowe led some singing sessions in the shade rather than in the sun.

Karate

A huge well done to Kenzie who recently took part in the JKA England Tournament competing against orange, red and yellow belts.

Overall he came 5th which is a brilliant achievement as he's only been doing Karate for half a year.

PE Kit

For the rest of this term children may continue to wear their PE kit to school instead of their normal school uniform.

Sponsored walk

Please note that the revised date for the Sponsored walk is Tuesday 14th July. Please keep collecting those sponsors.

Cold Feet

Some Year 2 children were all over the cooling down in the classroom thing as with a little bit of improvisation they each had their own mini foot paddling pool in the classrooms.

Rights Respecting Schools

Article 28 (right to education) Every child has the right to an education. Primary education must be free and different forms of secondary education must be available to every child. Discipline in schools must respect children's dignity and their rights. Richer countries must help poorer countries achieve this.

Raffle Tickets for PTA Summer Fair

Please remember that a few weeks ago we sent out information about raffle tickets for our Summer Fair and many of you are all over this. There is also a sheet of raffle tickets coming home with each child. These can be returned in an envelope with the correct money anytime up to and including next Friday. Huge thanks from the PTA.

FSM (Still Important)

We have sent out information about the fact that eligibility for FSM is changing into two categories:

- 1, Targeted FSM—This continues to be based on the existing threshold of children in households in receipt of Universal Credit and with annual earnings less than £7,400
- 2, Expanded FSM—a new category covering children who do not qualify for the above but who are in households receiving Universal Credit.

Regardless of whether children currently receive FSM or not from next term (September 2026), all parents will have to be re-checked for eligibility. If the form is not completed and returned and parents re-checked—then current eligibility will finish at the end of this term.

Many thanks.
